Your attendance **A** counts your days: here, late, absent. Below it, your work is listed by subject, with the score on each assignment and a grade for the subject.

4 Tell the office

Tell the office

Something wrong with your grades or attendance, or a question for the school? It goes to the office. They may answer here.

What is it about? (e.g. My science grade)

Tell them what you see.

A Send to the office

[How Homebook handles your information](#)

This is your own work only.

Privacy: your information

You can ask for a copy of what Homebook has about you, ask to fix something wrong, or ask to delete your login and the notes you sent. School records belong to your school, so the school decides. The school replies within 2 business days and finishes within 30 days.

What would you like?

A copy of records

Something looks wrong, or you have a question? Write it in **Tell the office** and press **Send to the office** **A**. It goes to the office, and they may answer you right there.

5 Privacy

Under **Privacy: your information** you can ask for a copy of what Homebook has about you, ask to fix something wrong, or ask to delete your login and the notes you sent. Press **Send request**. The school replies within 2 business days and finishes within 30 days.

6 When you are done

Press **Log out** at the bottom of your page, especially on a shared device. Next time, start again at **app.gethomebook.com** and **Log in**.
